2019 in Review

*Highlights*

- GCE-US launched the Inclusive Education and Early Childhood Development **Community of Practice** in January 2019, and it has already grown to include over 200 members.

- Thanks to your support, we have successfully advocated to increase **global education funding** and avoid proposed budget cuts, helping even more children and youth access **quality education**.
Thank you for supporting the Global Campaign for Education-US (GCE-US) with your advocacy, donations, leadership and partnership! Such generosity empowers GCE-US, along with our global network of partners, to continue to advocate for education as a basic human right for every child around the world. Please help spread the word and encourage others to give too!
