Global Education Highlights
The Zero Project Education Conference was held on February 19th-21st in Vienna, Austria. GCE-US member Nafisa Baboo of Light for the World led a powerful session on the importance of inclusive early childhood education programs. The conference also featured over 170 other speakers who discussed the urgent need to make both schools and education programs accessible for all globally. Couldn't attend the conference? Check out the highlights here!
The RESULTS Real Change Fellows Spring Policy Summit was held on February 1-4, which included advocacy training and Hill advocacy. RESULTS Fellows met with GCE-US staff and other partners to discuss how issues such as global health and nutrition connect with global education.

Tell Congress to invest in children here and around the world!

Help advocate and protect against proposed budget cuts to education here and abroad. Here is what you can do:
