Dear [sponsor contact]:

My name is [your name] and I am a student planning on studying [insert area of study]. I am passionate about education and equity and I would like to expand my knowledge and experiences further. I have already participated in [insert accomplishments]. I am contacting you at the suggestion of [contact name] regarding a unique sponsorship opportunity, which can not only help me reach my full potential, but can help make quality education accessible to children and young people around the world.

Over 260 million children around the world do not have access to quality education. On June 18, 2018, there will be a Youth Leadership Training Summit in Washington, D.C. to raise awareness about global education and train young people to advocate for global education in their communities. This will be a wonderful opportunity to support a good cause, empower youth and help me to achieve my dream. I am therefore asking you to help me attend this Advocacy Summit by sponsoring me.

I would like to use my advocacy training to make the world a better place by promoting global education. This is an important cause and I truly hope that you will sponsor me and help to make quality education a reality for children around the world.

Thank you for taking the time to read this letter, please feel free to contact me at [your contact information]

Yours sincerely,

[your full name]
